01 | Venue and Data of the Exhibition

■ Venue

m:con

Congress Center Rosengarten Mannheim

Rosengartenplatz 2

68161 Mannheim

Germany

www.rosengarten-mannheim.de

■ Delivery times and information:

Please note the following delivery times, depending on booth size:

Saturday, 24.11.2018, 08.00 – 10.00 hrs → booths larger than 50 qm
10.00 – 12.00 hrs → booths 25 – 50 qm
12.00 – 22.00 hrs → booths until 25 qm

Monday, 26.11.2018, 07.00 – 13.00 hrs → rest of supplies (the booths “STANDARD” and “ONE SIZE” can be built up only on Monday)

Because of the limited delivery area for trailer (40 to), we recommend a delivery with trucks (max 12 to). Deliveries with trailers (40 to) have to be signed in at the exhibition organization (contact at page 7) **until 28.09.2018** for installation as well as for removal.

Please note that waiting times are possible, when delivering with trailers.

Please note that owing to noise pollution, exhibition goods may only be unloaded until 22.00 hrs. From 22.00 hrs on, installation is only allowed inside the house and with prior consultation and approval by the organizer.

**Please note:
Unloading until
22.00 hrs only!**

■ Times and instructions for installation:

Saturday, 24.11.2018, 08.00 – 22.00 hrs

Sunday, 25.11.2018, 07.00 – 00.00 hrs → **just IN-HOUSE installation,
NO deliveries, NO loading
Activities**

servicehandbook

FOR EXHIBITORS: Important information – compact and clear

Monday, 26.11.2018, 07.00 – 13.00 hrs → rest of installation, assembly of booths
“STANDARD” and “ONE SIZE”

■ Opening times of the exhibition:

Monday, 26.11.2018, 14.00 – 21.00 hrs → (between 18.00 and 21.00 hrs: welcome reception)
Tuesday, 27.11.2018, 08.00 – 18.15 hrs
Wednesday, 28.11.2018, 08.00 – estimated 15.30 hrs

■ Times and instructions for removal:

Wednesday, 28.11.2018, 16.00 – 22.00 hrs
22.00 – 00.00 hrs → [NO loading and unloading, just in-house removal](#)

It's not allowed to drive on the ground “Congress Center Rosengarten” before 16.00 hrs. Because of backlog in the city, it is not recommended to come earlier.

■ Times for collection and information:

Please note the following delivery and collection times, depending on booth size:

Wednesday, 28.11.2018, 16.00 – 17.00 hrs → delivery of empties for booths larger than 50 qm
17.00 – 18.30 hrs → delivery of empties for booths until 50 qm

Wednesday, 28.11.2018, 16.00 – 22.00 hrs → collection of small booths via the underground parking
18.30 – 19.30 hrs → collection of booths until 25 qm
19.30 – 20.30 hrs → collection of booths until 50 qm
20.30 – 22.00 hrs → collection of booths more than 50 qm

Thursday, 29.11.2018, 07.00 – 10.00 hrs → collection only with approval

servicehandbook

FOR EXHIBITORS: Important information – compact and clear

If you need a collection on Thursday, 29.11.2018, please notice that your collection has to be signed in at the exhibition organization (contact at page 7) **until 28.09.2018.**

Because of the limited space situation for trailers, we recommend the storage of empties and delivery of empties by Spedition Schenker (contact at page 13).

Please note that owing to noise pollution, exhibits may only be loaded until 22.00 hrs. From 22.00 hrs on, removal is only allowed inside the house and with prior consultation and approval by the organizer.

Please observe the instructions for removal in any case, otherwise current and following events may be disturbed. Stands that are not removed in time are cleared at your costs!

■ Parking facilities

As a part of m:con Congress Center Rosengarten, the underground car parks 'Congress Center Rosengarten' and 'Dorint' with approx. 700 parking spaces are at your disposal. Please note that the height limit for vehicles is 1.90 m there. Parking on the outside area of the Congress Center Rosengarten is not allowed.

Vehicles higher than 1.90 m can be parked on the nearby car park (near the stadium 'Carl-Benz-Stadion', direction airfield 'Flugplatz Neuostheim' Theodor-Heuss-Anlage 12 in Mannheim): turn right before you get to the KPMG building, then turn right again, the car park is on the left. You can take the tram number 6 to get back to the Rosengarten. The vehicles could also be parked on the "Neuer Messplatz" (Maybachstraße in Mannheim). Please note that these are all public parking spaces where we have no impact on free parking space!

Parking on the outside area of the Congress Center Rosengarten is not allowed.

FOR EXHIBITORS: Important information – compact and clear

■ Unloading on the exhibition grounds of Congress Center Rosengarten

The access to the 'Rosengarten' from 'Friedrichsring' has a gate opened by a porter. Please note that cars which are used for delivery and collection have to be parked in the underground car park at your costs. Only vehicles higher than 1.90 m may be parked on the forecourt during installation and removal and only for loading and unloading purposes!

On entering the grounds of Congress Center Rosengarten, the time of arrival and the driver's mobile number are taken down by one of our employees, and a time of departure is also agreed upon. Should pallets be delivered, please note that Congress Center Rosengarten cannot provide a hand pallet truck. It has to be provided by the exhibitor.

Only vehicles higher than 1.90 m may be parked on the forecourt during installation and removal and only for loading and unloading purposes!

■ Lifts / good lifts

For deliveries to the foyers in floor 1 of Congress Center Rosengarten, there are several goods lifts at your disposal.

	width for passage	height	depth	weight-bearing capacity
Lift foyer on the left	1.70 m	1.95 m	3.80 m	3.500 kg
Lift foyer on the right	1.55 m	1.95 m	2.80 m	1.500 kg

05 | Stand information A – Z

The legal stipulations and regulations in their most current form and the Technical Guidelines of m:con must be observed for all exhibition stands, facilities, exhibits, materials and advertising that are brought into the Congress Center Rosengarten.

■ Additional orders

Orders for additional equipment can be placed online www.rosengarten-mannheim.de/en/organiser/technical-equipment/ until **30.10.2018**.

After the above-mentioned date, orders can be placed on site only plus an extra charge of 20 %!

Orders for additional equipment only online!

■ Adhesive Tape

A special adhesive tape for delicate floors must be used before using double-sided tape, gaffer tape, etc. in floor 1.

Foyer floor 1: Tesa Präzisionskrepp 4334 **gelb**, 50mmx50m

You can then continue to work with standard adhesive tape on top of this special tape. When dismantling, please ensure that all tape is removed without leaving any residue! Marks that have not been removed will be eliminated at the exhibitor's expense. This tape can be bought on-site.

■ Audio- / visual presentations

Any kind of presentations on the stand requires the organizer's approval. Approval is granted with the pre-requisite that the presentation will not negatively affect or interrupt neighbouring stands and the ongoing congress. The organizer shall have the right to cancel a presentation in the event of disregard for his regulation.

The maximum construction height for stands vary in the different areas of floor 1. Restrictions owing to structural causes have to be observed.

■ Construction heights

The maximum construction height for stands vary in the different areas of floor 1. Restrictions owing to structural causes have to be observed.

Please notice the plan with your individual construction height which you received by the Fraunhofer-Institut für Chemische Technologie ICT.

servicehandbook

FOR EXHIBITORS: Important information – compact and clear

There are also limited construction heights in the side foyers below the gallery and no constructions allowed below the fire curtains!

Prior approval by the organizer is necessary for construction heights exceeding these limits.

Floorings of all kinds from 4 mm on require approval by the organizer, have to be highlighted in contrast colour and secured against stumbling and tripping. Exceeding construction heights from 2,50 cm on require canted edges in contrast colour.

■ Damage

The exhibitor is responsible for damage to facilities of Congress Center Rosengarten, floors etc., as well as to material let or lent to him.

■ Disposal

In general, reusable and eco-friendly materials have to be used for the installation and the operation of a stand. It is not allowed to leave any materials at Congress Center Rosengarten. Any materials left are disposed of without checking the value at the exhibitor's cost and at a higher charge.

In general, reusable and eco-friendly materials have to be used for the installation and the operation of a stand.

■ Electricity

The laying of electrical cables outside the stand, as well as connection to the supply network may only be carried out by m:con. For electrical installations inside the stand, as well as for the laying of electrical cables, the instructions of VDE have to be observed. It is recommended to order m:con to carry out the work inside the stands as well.

The equipment and the illumination of the stands have to be disconnected from the grid by the exhibitor after the end of the exhibition and before leaving the stand respectively. In case of non-observance as to the above mentioned switching off regarding equipment and illumination, m:con reserves its right to charge any costs that may result from additional consumption of electricity to the exhibitor's account.

In order to provide suitable protection, all electrical appliances which generate or radiate heat (cooking plates, spotlights, transformers etc.) must be mounted on non-flammable, heat resistant bases not containing asbestos. These require approval

The equipment and the illumination of the stand have to be disconnected from grid before leaving the stand respectively!

servicehandbook

FOR EXHIBITORS: Important information – compact and clear

which must be applied for from m:con at least until **17.10.2018**. Devices which do not have a CE marking may not be used as a matter of principle.

The exhibitor is responsible for the self-installation on the stand. If you wish electrical installations at a certain place, we ask you to let us have a sketch accordingly. If you require electricity, you can place your order online.

■ **Emergency exits and escape routes**

The aisles between the exhibition areas serve as escape routes in cases of Emergency. At no time should these aisles should be blocked. Escape routes must always be kept free of hindrance.

The exit doors, emergency exits and their signposting must never be obstructed, built over, closed in, obstructed by drapes or disfigured in any way.

■ **Empties**

During the installation, the duration of the congress and the removal, it is not allowed to store empties on the stands, outside the stands, inside the Congress Center Rosengarten and in its outside area. Dispatch and storage of empties can be dealt with by the forwarding company Schenker (address see "Storage", page 10).

■ **Examination of the rented space**

After the assignment of space, exhibitors must make themselves aware of any fixtures, in particular hall pillars, fire alarms, wall hydrants, ventilation systems, as well as uneven flooring. m:con shall not be responsible for the accuracy of dimensions on hall and stand plans.

■ **Exhibition construction company**

The exhibitor's service handbook and all important information according the exhibition have to be forwarded to the exhibition construction company and other service providers by the exhibitor.

■ **Fire protection**

All materials of the stand have to be flame-resistant according to DIN 4102-1 (B1). The exhibitor must be able to furnish proof of flame-resistance on the stand at any time.

The exhibitor's
service handbook
is at your
disposal on the
internet at any
time.

servicehandbook

FOR EXHIBITORS: Important information – compact and clear

The fire extinguishers, wall hydrants and emergency buttons at Congress Center Rosengarten must not be blocked or made inaccessible under any circumstances. It is not permitted to render the instruction signs illegible.

■ Floor covering

Floor 1: granite anthracite

Floor coverings and other floors have to be laid accident-proof and must not project over the boundary of the stand. If you lay floor coverings using double-sided adhesive tape, please note that it has to be removed without residue on removal. On floor 0 and floor 1, adhesive tape suitable for natural stones must be used. Remaining residues will be removed at the exhibitor's cost.

If you lay floor coverings using double-sided adhesive tape, please note that it has to be removed without residue on removal.

The maximum floor loading capacity is 500 kg per sqm. In case that heavier exhibits are to be installed, it has to be arranged with and approved by the organizer. Loads should be distributed, concentrated heavy loads have to be avoided at any rate.

■ Forklift trucks / hand pallet trucks

Please note that Congress Center Rosengarten cannot place forklift trucks and hand pallet trucks at your disposal. This service can be dealt with by forwarding company Schenker (address see "Storage", page 10). Please note that the use of forklift trucks is not allowed inside.

■ Glass and plex-glass constructions

Only safety glass may be used in the construction of superstructures. Glass panes must be of a round edge construction or finished in such a way that potential injury risks are ruled out. Constructions made entirely of glass are to be marked at eye level.

Safety glass must be used for any superstructures. Edges of glass sheets must either be rounded or designed in such a way that there is no risk of injury. Structures made entirely of glass must be marked at eye height.

■ Grinding work and all work with naked flames

All welding, cutting, soldering, thawing, grinding and other work which poses a fire hazard must be reported to Rosengarten Congress Center before the work starts and applied for in writing each day.

Areas surrounding such flame work must be adequately screened off to eliminate danger. Fire extinguishers must be kept in the immediate vicinity.

servicehandbook

FOR EXHIBITORS: Important information – compact and clear

■ Guarding

The organizer of the exhibition provides a general guarding without accepting responsibility for damage or loss. Articles brought to Congress Center Rosengarten are at the owner's risk, m:con accepts no responsibility for articles deposited. The exhibitor has to take care of a special guarding for his stand and goods himself. Stand guarding service can only be ordered online.

■ Hazardous materials

It is forbidden to use open fire or naked light, e.g. spirit, fuel, oil, gas, etc.

■ Householder's right

m:con and the service providers commissioned by m:con shall have householder's rights vis-à-vis the exhibitors, their builders and all individuals located in the exhibition space. The organizer shall have the right to expel from the Congress Center Rosengarten individuals who do not adhere to the regulations of m:con or the services providers commissioned by m:con or who violate the conditions for participation. The organizer shall also have the right to ban these individuals. m:con, persons commissioned by m:con, the police, the fire department and the supervisory authority shall have access to the stands at any time.

■ Illumination

Possibly, the general illumination at Congress Center Rosengarten is not sufficient to illuminate the individual stands effectively. In your own interest, we recommend to plan on additional installation of illumination on your stand.

■ Installation of stands

All stands have to be installed as self-supporting constructions. Fastenings on the walls, pillars and floors of the halls are not allowed. Pillars, buttresses, projections etc. within the exhibition area are part of the allocated space. It is not allowed to exceed the allocated space for installation. Sticking up of advertising material on the walls, pillars or other parts of the venue is not allowed. The exhibitor is liable for any damages owing to violations and is responsible for the security of the stand; they must provide evidence of this.

Lighting facilities and signs may not exceed the limits of the stand. m:con

Escape routes, fire alarms, hydrants, electrical distributors, switchboards and telephone distributors have to be accessible.

servicehandbook

FOR EXHIBITORS: Important information – compact and clear

retains the right to bill for any additionally used space.

Escape routes, fire alarms, hydrants, electrical distributors, switchboards and telephone distributors have to be accessible. A minimum safe distance of 0.5 m to the ceiling sprinklers has to be kept.

Rear sides of stands which are visible and back onto neighbouring stands or those stands which are free standing must be of a smooth construction and neutral colour (white or light grey). The exhibition organizer reserves the right to insist on the modification of stands which are deemed inadequate or non-approved along with the right to order the removal of inappropriate exhibits when these are either bothersome or dangerous to visitors or exhibitors. Serious security defects can also lead to either partial or complete closure of the stand.

■ Insurance

The exhibitor shall be liable for all personal and material damages that arise from the operation of their exhibition stand and materials. It is recommended that the exhibitors obtain adequate insurance protection.

■ Internet access / EDP

Please note that in case of orders for internet access, the configuration or installation of additional hardware and software brought by the customer is not included in the range of delivery. The exhibitor is responsible for the observance of the licensing agreement in case of software brought by himself.

Internet access can only be ordered online. The exhibitor is responsible for the rented technical equipment for the duration of the rent.

WLAN Premium Version

The WLAN premium version is accessible for all exhibitors and participants.

For increased traffic and complex presentations on the booth we recommend the booking of a broadband LAN-connection.

Exhibitors at the Congress Center Rosengarten are not permitted to set up and run their own wireless networks. Non-compliance with this regulation may as applicable result in claims for damages by the event organiser or the neighbouring exhibitors affected.

servicehandbook

FOR EXHIBITORS: Important information – compact and clear

■ Motor vehicles

The exhibiting of motor vehicles must always be approved of by the exhibiting organization. Motor vehicles with internal-combustion engines may only be exhibited in Congress Center Rosengarten if the tank of the vehicle has been emptied to a maximum of 5 liters of gasoline and filled up with nitrogen, and also only if the battery cables have been disconnected.

■ Multifunctional pillars

There are multifunctional pillars with the measures 1.15 m x 1.00 m in the side foyers in floor 1. On one side inside these pillars, there are connections (electricity, TV, EDP) and fresh air respectively hot air is entering from the other 3 sides of these pillars into the foyers. The pillars must not be surrounded or blocked and nothing may be fixed on them. All round the pillars, a minimum safe distance of 1.00 m has to be kept.

■ Musical reproduction

Any kind of musical reproductions shall be subject to provisions of the German Act for Protection of Copyright and Related Property Rights (“Urheberrechtsgesetz”), Section 15 of the German Copyright Act (“Urhebergesetz”) (German Federal Law Gazette [BGBl], and shall require the approval of GEMA, the musical authors’ rights society, which may be reached at:

GEMA Generaldirektion Berlin

Bayreuther Str. 37

10787 Berlin

Germany

P +49 30 212 45-00

F +49 30 212 45-950

messe@gema.de or gema@gema.de

www.gema.de

Musical reproductions that have not been registered with GEMA may result in damage claims being filed by the latter (cf. Section 97 of the Copyright Act).

■ Radiation protection

The use of radioactive materials and the operation of x-ray facilities, disruptive rays and laser facilities require approval and must be presented to the relevant authorities. The legal security regulations and stipulations must be observed. Legally stipulated approvals must be sought from the relevant authorities and be submitted to the exhibition organization until 17.10.2018.

servicehandbook

FOR EXHIBITORS: Important information – compact and clear

■ Respirable dust badge: „Feinstaubplakette“

Please note that from 1st January 2013 on it is absolutely necessary in a few areas of Mannheim to place a respirable dust badge coloured green in your car or lorry. The Congress Center Rosengarten and the Wasserturm (underground car parks) belong to these areas. You may get this badge at the TÜV, DEKRA, authorized garages and by internet. Please read up on this topic! Further information please find e.g. at www.umwelt-plakette.de/.

Entering by vehicle and parking from 1st January 2013 only with a green respirable dust badge!

■ Smoking

Smoking is strictly forbidden in the whole inside area of the Congress Center Rosengarten at any time.

Smoking is strictly forbidden in the whole inside area of the Congress Center Rosengarten at any time!

■ Stand roofs

As a matter of principle, stands must be open at the top. This is to ensure sprinkler protection. Roofs shall only be possible in exceptional cases and must be approved by the exhibition organization. Evidence of sprinkler suitability must be kept on hand in any stand with an approved roof.

■ Storage of information material and brochures

The storage of informational material is only permitted in the amount required for that given day and only on the stand surface. Storage outside of the assigned stand surface is not permitted.

■ Suspensions

Prior approval by the organizer of the exhibition is necessary for suspensions. They are only allowed in exceptional cases.

servicehandbook

FOR EXHIBITORS: Important information – compact and clear

■ Theft

In order to keep the danger of theft as low as possible, we ask you, in your own interest, not to leave your stand unattended after the delivery of exhibits. In general, a stand guarding, especially for the nights, is to be recommended. In any case, you should lock away valuable goods during the night.

We recommend you never to leave your stand unattended during the opening hours and to make goods in danger of theft especially secure. On removal, we ask you not to leave your stand before valuable goods have been loaded or handed over to the carrier. If this is not possible, it is advisable to book a stand guarding.

■ Woodworking

The German regulation concerning hazardous substances (GefStoffV - §8 Paras. 2.2 and 2.7) requires that appropriate suction equipment be fitted to woodworking machines. If this regulation is not heeded, Rosengarten Congress Center will stop assembly work.
