

Information on Photos and Video/Audio Recordings

We will be taking photos and making video/audio recordings during our event. It is possible that you may be recognized in these images and recordings. If you do not want your voice or image to be recorded, please inform the person who takes your picture or records you accordingly.

Purposes and use of images and recordings

We take these photos and make video/audio recordings to document our event in pictures and report on our event during and after it. To this end, we will publish these images and recordings in particular on media platforms (such as Facebook, Instagram, and our own website).

We also reserve the right to use the images and recordings to announce and advertise future events organized by us via the aforementioned channels.

Data protection

For further information on data protection, especially your rights as a data subject, and our contact information, please see our data protection information, which you can access here:
